# FT POSP Sure

Onboard faster. Manage POSPs at scale.

## Overview

FT POSP Sure is FondosTech's platform for managing the full lifecycle of Points of Sales Persons (POSPs) and insurance agents. It brings onboarding, policy sales, commissions, renewals and claims into one workflow, replacing disconnected tools and spreadsheets and simplifying the administration of growing agent networks.

## Key Features

| | |
|---|---|
| **KYC and digital onboarding** | Agents are verified and onboarded online, without paperwork. |
| **Policy management** | Sell and manage policies in one system, backed by FondosTech's connectivity to 50+ insurers. |
| **Commissions and payouts** | Automated commission and payout tracking, mapped to policies and agents. |
| **Renewals and claims** | Track policy renewals and manage claims within the same platform. |
| **Network monitoring** | Central dashboard for network and performance monitoring, with real-time insurance analytics. |

## Who It Is For

Insurance brokers, agencies and distribution companies that run POSP or agent networks and want to reduce manual work, improve visibility and scale onboarding.

## Works Alongside

FT PayIn-PayOut (premium collection and partner payouts), FT Reconciliation (insurer statement matching), FT Digital Claims (AI-assisted claims) and FT Compliance Shield (IRDAI-aligned checks and audit trails).
