

CUSTOM VICIDIAL SKIN & THEME SETUP

Give your VICIdial interface a fresh, professional appearance with a custom skin and theme designed around your brand and workflow. We personalize the login page, agent screen, admin panel, colors, menus, and layouts.

OVERVIEW

- **Admin Login**
- **Admin Dashboard**
- **Agent Login**
- **Agent Dashboard**
- **Real-Time Reports**
- **Load New Lead**
- **Live Call Dashboard**
- **Call Disposition Screen**
- **Campaign Lists**
- **Reports Center**

ADMIN LOGIN

Secure administrator access with role-based authentication and permission controls. Manage system settings confidently while protecting sensitive operational data.

ADMIN DASHBOARD

Control campaigns, users, reports, and system settings from a centralized administration panel. The dashboard provides a clear overview of daily operations and simplifies overall management.

AGENT LOGIN

The image shows a login interface for KingAsterisk Technologies. On the left, there is a dark blue background with a network of glowing blue nodes and lines. The KingAsterisk Technologies logo, featuring a crown and an asterisk, is centered on this background. On the right, a white login form is displayed. The form has a title 'Re-Login' and a 'Relogin' link. It contains five input fields: 'Phone Login' with the value 'gs102', 'Phone Password' with masked characters '****', 'User Login' with the value '10003', 'User Password' with masked characters '*****', and a 'Campaign' dropdown menu currently showing 'outbound - outbound'. Below the input fields are two buttons: a red 'SUBMIT' button and a yellow 'Refresh Campaign List' button.

Refresh Campaign List

Provide agents with a secure and simple login experience to access their daily tasks. The interface is designed for quick navigation and a smooth start to every shift.

AGENT DASHBOARD

Give agents instant access to customer information, campaign details, and daily performance metrics. Everything needed for productive conversations is available on a single screen.

REAL-TIME REPORTS

Track live activity as it happens with detailed performance reports that update continuously. Monitor agent productivity, campaign results, and communication trends from a single reporting interface.

LOAD NEW LEAD

The screenshot displays the 'List Management' interface in the KingAsterisk Technologies system. The interface is divided into three main sections: '1.Upload File' (highlighted in green), '2.Mapping Fields', and '3.Result'. The '1.Upload File' section contains a large dashed purple box with an upload icon and the text 'Browse csv file here' and 'browse file from device'. Below this, there are several form fields: 'Import leads into:' with a dropdown menu showing '[SELECT LIST]', a checkbox labeled 'Please select this check box if your file is with country code', 'International area code:' with a dropdown menu showing 'Load from Lead File', and 'Telephone number duplicate filter:' with a dropdown menu showing 'NO DUPLICATE CHECK'. At the bottom of the form is a green button labeled 'UPLOAD FILE AND PREVIEW LEAD'. A note at the bottom states: 'We recommend importing as a CSV file.To do this,save your list in Excel as a file type: CSV (comma seperated)'. The left sidebar shows the navigation menu with options: ADMINISTRATION, Reports, Users, Campaigns, Lists, Scripts, Filters, Inbound, User Groups, Remote Agents, and Admin. The top right corner shows the user profile '6666' and the breadcrumb 'Home / Lists'.

TAP HERE

Create and manage multiple campaign lists based on your business requirements. Easily organize contacts, assign priorities, and control dialing activities from one place.

REPORTS CENTER

The screenshot displays the 'Reports Management' section of a web application. It features a sidebar with navigation icons and a main content area with a breadcrumb trail 'Home / report'. The main area is divided into several sections: 'Server Stats and ReportsSystem Summary', a list of report categories (Real-Time Reports, Inbound and Outbound Calling Reports, Agent Reports, Time Clock Reports, Other Reports and Links, and Admin Utilities), and a 'Server Info' table. The table includes columns for SERVER, DESCRIPTION, IP, ACT, LOAD, CHAN, AGNT, DISK, OUTBOUND, and INBOUND. A single entry for 'vicibox11' is shown. Below the table, it indicates 'Showing 1 to 1 of 1 entries' and provides navigation links for 'Previous', '1', and 'Next'.
